July 2014

Big News Bullets...

Dear friends,

This month, I just want to share a few reasons for you to celebrate with us. Check out what's been happening in NightLight Branson this month:

- In June, we hosted a BBQ and got to spend a few hours with a few friends from one club. It was a great chance to connect with them outside of the club environment, and we're praying for continued fruit from that time.
- We now have THREE people fundraising to come on staff: a volunteer coordinator, a restoration coordinator, and another general staffer.
- We had our second NL girl come to know Jesus this month! We're so excited to baptize her at the lake later in August.
- Also in August, we're throwing a baby shower for two girls we know from a Springfield club. This is turning into a whole outreach event, since the guests of honor will be inviting many of the girls

from this club. Both girls we're throwing the shower for are looking to leave the club scene.

- We have been training, training, training. Several groups from various places in the state (and beyond) have come or are planning to come receive training on how we do outreach. So exciting!
- We are actively mentoring/pursuing 14 girls right now. FOURTEEN!

WOW. There's a lot going on. Believe it or not, this barely scratches the surface. We have been extremely busy, not only working with a number of girls and outreach opportunities, but also working to further mobilize, train, and stabilize our staff and volunteer teams. God has graced us with some exciting moments this past month, and we are incredibly grateful. But we are also extremely busy, and like everyone else, we sometimes struggle with prioritization and feelings of being overwhelmed.

We covet your prayers!

If you live near Springfield, MO, you're invited to our Volunteer Vision Night. We're going to be sharing a little bit of our heart, introducing new staff, and making some important announcements about what's coming. More info to come, but please mark your calendar. I'd love to see you there!
